ENCLOSED PIT AREA

With a large number of spectators expected we have again decided to have an enclosed pit area. This is to reduce riding in the paddock and build a good atmosphere rather than everyone going back to their vans.

Please keep bikes in the pit area between sessions unless given a valid reason.

Feel free to use gazebos/tents up as we have given plenty of room!

NO PRESSURE WASHERS TO BE USED.

REFUELLING:

Please ensure when refuelling that you have an **environmental mat** under your motorcycle.

HARD STANDING PADDOCK

We have spent a lot of money to stone this area – Riders/Mechanics please note:

NO MUD SCRAPINGS LEFT ON PADDOCK PLEASE

PRESENTATION OF AWARDS:

There will a **“Presentation of Awards”** (*Top 3 in ALL classes*) at the end of the event in the marquee.

CAMPING:

The paddock opens on Friday & closes on Monday evening.

Please make sure all generators are off by 11pm on the Saturday Evening.

There will be a £5 fee per vehicle for camping for the weekend.

Please can you pay on arrival or at signing on.

All proceeds will be going towards paying for the marquee & entertainment provided over the weekend.

PARKING

The grass camping/parking field is still quite wet in places, so just be careful.

We have a big entry coming for both the Youth H&H's on Saturday & the Sprint on Sunday, so please park sensibly

WARM CLOTHES:

There is normally a cold wind up Cwmythig this time of year, so a good tip: bring suitable warm clothes! Ideally bring suitable footwear too, it is still wet in places up Cwmythig & be prepared incase the weather is bad!
